Equipment Bag: (borrowed)		Equipment Bag - Ordered	

Players will be issued game day jerseys, pants and socks during the week prior to the first regular season game. Equipment should not be modified in any way. Altering equipment or adding after-market accessories, including chin straps, and/or visors is not allowed without approval from the board. Alterations to equipment void the warranty provided by equipment manufacturers and negate any liability to the RJT organization. Additionally, alterations to uniforms including but not limited to cutting, adding elastic, adding names, etc. is not allowed and will require the parent and/or guardian to replace the jersey at the full retail price.

The cost of the equipment provided by RJT is valued at approximately \$500 per player. In the event equipment is damaged due to normal use, a coach should be notified immediately. If any equipment is lost, stolen or damaged due to improper use, care or neglect, the parent and/or guardian must replace the equipment or make payment arrangements with RJT.

All equipment must be **clean and washed** prior to turn in. Please follow washing instructions carefully. A surcharge of \$50 will be charged for a uniform that is turned in unclean. The fee must be paid in full prior to that player being issued equipment for the following season.

An equipment deposit check of \$250 will be held until all equipment is turned in at the end of the season. The date will be determined by the organization and posted on the website. Equipment deposit checks will be cashed the day following for all participants who have not returned their equipment.

By signing below, you acknowledge receipt of the equipment listed above and agree to return the equipment at the designated time and date after the season has commenced.
